Winter again

It seems like only yesterday that we were all worrying about pasture, dry spells and occasionally complaining about the heat. Now it seems we are in Winter. I know most complain that time seems to pass more quickly as we get older, but I am sure that time is currently going at 'Bolts' sprint pace. Soon it will be the Christmas newsletter and everyone will be worrying about present buying. (some of you will be grumbling that I said that..oops!). For those (me) who relish the thought of present buying in December, it's time to worry that I am mid-year and that I haven't bought more than two or three presents. Best get organized and think about making my cake too!!

Back to today...so far though we have still be lucky enough to enjoy some amazingly warm days, beautiful riding on our fabulous beaches and some great events for those who are out and about competing, or hunting.

Long may the good weather continue...

You can be forgiven for feeling slightly guilty when Fieldays in Hamilton was lashed by rain, Christchurch is struggling with more flooding and we are enjoying rug free days. The forecast for the weekend is more wall to wall sunshine, plenty of rug free opportunities and great weather for getting out there.

Enjoy it while it lasts (and happy Christmas shopping for those who can't help themselves)

Happy reading.....Sam,

Events

New routine!

Recent rallies have brought great numbers of club members along, which is fantastic to see. An increase in numbers also provides the need for more structure, to ensure that everyone gets the most from the day.

Firstly the club is responding to the increase in participation and ensuring that future rallies will have an increase in the number of instructors available.

9:30am Rally set up. New faces are desperately needed to help support the events.

Let the Rally organiser you are there for the event. They will be wearing a hi-vis vest. See if you are needed to help out before tacking up!

Listen out for the bell which will indicate the start of the event. This will happen promptly at 10am

The end time for the rally will be 12 noon.

Using Waikanae Cross Country course

KRC members can use Waikanae Cross Country course for schooling their **own** horses. It cannot be used to school other people's horses, or to take non-members over the course.

If you would like to use the course, please phone Heather McCaffrey on 022 152 1775 and let her know your preferred time and day.
